More than just Self Defense - Kung Fu Martial Science

Traditional Wing Chun Kung Fu Instruction
Wing Chun Kung Fu develops lightning fast speed and the ability to react instantaneously to what you feel. Wing Chun makes use of fast, effective, effcient techniques that rely on the body's natural structure for power, simultaneous blocks and attacks, and the economical use of angles, distance, and redirection of the opponent's energy.

WE LOOK FORWARD TO MEETING YOU!

"Be careful what you water your dreams with. Water them with worry and fear and you will produce weeds that choke the life from your dream. Water them with optimism and solutions and you will cultivate success. Always be thinking about forward, not a problem but an opportunity for success. Always be on the lookout for ways to improve your dream." - Lao Tzu
