Detailed item infoProduct Information?,Â Get in touch with a totally new world of mobile communication with the black Samsung Galaxy S3 SGH-T999 cell phone. Although keeping a respectable portability, this smartphone offers you all the extras of a tablet, together with the Air View feature, which allows you to control your device just by keeping your finger above it. What catches the attention from the first look in this Samsung Galaxy is the impressive huge display that makes you dive in a multimedia experience like never before. The clarity and fine brilliance of the screen bring gentleness to the eye in whatever you may require -- movies, games or just browsing around. Considering that video calls are often needed nowadays, the cozy 1.9 MP front camera of the Samsung Galaxy provides you with the opportunity to get in touch with people whenever you want. Moreover, the 8 MP rear camera can only get you more into taking photos and storing them in the impressive 16 GB internal memory, combined with an additional spare slot, supporting micro SD cards up to 64 GB. Running on the potent Android 4.2.2 Jelly Bean operating system, backed by a 1.7 GHz dual core processor, this Samsung Galaxy forces its performance to the top so you won't lack power. Likewise, design has not been left behind as well -- this smartphone looks elegant and classy, no matter the case. Altogether, the Samsung Galaxy S3 SGH-T999 cell phone is creation of, in the usual Samsung and exceptional performance presented in a stunning looking and elegant way.
This phone has been factory unlocked officially approved.
