i have a 4 month old short red haired mini dachshund I am trying to re-home. Her name is Idgie. Nothing is wrong with her. She is an indoor pup and is puppy pad trained. She has a lot of spunk and loves to play. I just work too much and am not able to give her the attention she needs. If you are interested text me. Thanks. Re-homing fee is $175.
Included, 2 sets of puppy stairs, a kennel, leash. harness, collar, bowl, and toys come with.
