I have a awesome gaming computer that I'm looking to trade for a nice running car.
I'm looking for a Acura Legend, Pontiac Grand Prix Gtp, or Fox Body Mustang
Just let me know what you and it's okay if the car needs a little work.
have.Worst I can say is no. This computer is built to last for years and play any
game on Max Settings along with completing all the most intense or simple tasks.
Also great computer for video and music editing.
Here are the specs on this computer!!

1. Intel I7 3930K Sandy Bridge-E 6 Core 3.2 Ghz (3.8 Ghz Turbo Processor)
2. Intel Socket 2011 Dx79SI Motherboard
3. 8 GB G-Skill DDR3 1600 Mhz Ram
4. OCZ Vertex Turbo 120 GB SSD Drive
5. Nvidia Geforce GTX 660 2Gb Gaming Video Card
6. Realtek 7.1 HD Onboard Sound
7. Rosewill Black Hawk Gaming Case
8. DVD-RW Drive (Lightscribe Technology)
