Willing to pay up to a $500 allowance a week. I am a distinguished gentleman that loves to travel to the Columbus area(about three times a month). I am looking for an assistant to assist me by escorting me to private dinners, and giving me massages and etc. I am definitely looking for everything. Perfect candidate would be beautiful inside and out,classy(I don't do ghetto), nice smile, in very good shape(slim,athletic or slightly curvy in the right places). All races and ages welcome to apply, but must be at least 19yrs old and D&D free. If you think your the lady, please send a few recent pictures(at least one full body picture) and tell me a little about you. I will NOT respond to replies that do not include a picture and a small paragraph telling me about you. I am only looking for One person, so I might be slightly picky. I apologize in advance if your not.
