So, The President and The United States of American won't allow Iran to have Nuke weapons, eh?

If that theory holds any water, please explain Pakistan. you know, the Number one supplier of Taxi drivers, 7-11 chain store manager and Motel Six owners... They are highly unstable and currently hold some nuke weapons..... Splain that one Ricky...

Please, do go on...

Hey, I hear the dentist told you that your teeth are like the stars in heaven.

They both come out at night..!!!
