1996 Oldsmobile Cutlass Ciera 58000 miles (2495 USD)

Location **Arkansas**
https://www.genclassifieds.com/x-280225-z

Great little car. only 58000 miles runs great, drives great! I drove this car to Tulsa Oklahoma just today. This car is so smooth, and has lots of power, it is a V6 and gets around 24 miles to the gallon. the interior is very clean and the exterior looks good for it's age. No mechanical issues at all. BRAND NEW TIRES!!! call Jason
