This rare table lamp is a vintage, hand-made, European import made from genuine lead crystal combined with solid brass. It's flawless, shining, gleaming and elegant. It has a 3 way switch with a standard bulb base. Uses a three way bulb or any one way bulb. I have numerous additional lamps, chandeliers, light fixtures, couch, tables, chairs, vintage metal file/storage cabinet with lock and key, antique drawer pulls, heavy brass light switch plates, outlet cover and more. Please see my Pinterest photo page link below to see a lot more that I must sell.
