1995 Chevy s 10 (4500 USD)

Location **South Dakota**
https://www.genclassifieds.com/x-382078-z

1995 Chevrolet, 10,000 miles on drive train. This has been my daily driver for some months now, no leakes, no problems, 4x4 all works as should. Very clean inside and out. Any questions please give me a call. The chances of finding another like this are slim. Will make a excellant vehicle for some.
