Wallspace Exchange helps facilitate fine art sales throughout the world. Restaurants, Hotels, Bars, Spas, Salons, Retail Stores, Cafes and Airport Terminals allow artists to sell their paintings on their wallspace in return for a commission. The business generates another source of income while the artist gains a larger audience to show their artwork and increase sales. Businesses save on interior design costs and get an updated look while helping the art community.

Benefits for Artists:
1. Generate new source of income

2. Greater public viewing by placing your artwork in restaurants, hotels, bars, spas, salons

3. Publicize your work in various locations

4. Develop new customer base

5. Negotiate with greater flexibility
