Music Industry Photography (Nashville)

Location **Tennessee**
https://www.genclassifieds.com/x-283310-z

Arts and music industry photography: 20 years experience. Nashville area; studio or location! Individuals, duos or groups... simple graphic design services also available. Tell me about your project needs and we'll collaborate on something exceptional.

Also available for non-traditional portraiture in the arts industry -- author portraits, actor's headshots, dance and theatre company performances. More imagery: www.deonejahnke.com

Let me know how we can work!
