PRODUCER/ENGINEER:
I am a skilled music producer, song writer and engineer. (50 Cent, Big Sean, Roscoe Dash, Juelz Santana, Lil Cease, Bobby V, Ray L and more.) I am offering production services (Beats), song writing (Hooks or Full Songs), Engineering (mix work) and/ or studio time. I consider myself one of the best in my class. I am skilled in ProTools, Logic, Reason and more. The studio has many sound suite plugins including Waves Mercury Bundle which is worth close to 7K dollars. I can make your songs sound as professional as possible. ASK for Samples: Contact me if you need any of the above services. Jonathan
