Natural Builders, Permaculturists, Ecoartist (New Orleans)

Location **Louisiana**
https://www.genclassifieds.com/x-314751-z

Looking for natural builders with experience in cob, adobe, earth bag, bamboo using sand, clay, hay, etc. We would like to collaborate on various experimental structures for an art show that will also act as feasibility study.

You must have experience with natural building, the principles of Permaculture and be familiar with all New Orleans neighborhoods. If you are interested in collaborating and submitting a design please let us know about.
