I Demand a tax cut!

...But my moocher 'RED' States get back on average \$1.20 for every tax dollar they send to Washington, while the 'BLUE' productive States get back on average only \$.80 cents for every tax dollar they send to Washington.

I Demand a Tax Cut!

...But I want my own elitist PRIVATE HOV lane on the freeway constructed with public money.

I Demand a Tax Cut!!

...Because I am now, and always have been, a freeloading taxpayer subsidized Republican scam artist!

That's Why!!!

I DEMAND a Tax Cut, or else I'll blame president Obama for raising my taxes!!

...Because that's just the type of guy I am... A blithering big spending Republican!
