At any given moment no one's looking for a dog walker. Nobody plans on it, but then something happens. A schedule changes, a neighbor moves, and all at once you can't be home to walk your dog, or the person you relied on to do it is gone. Or your dog is simply getting older, and can't wait all day like he used to. Suddenly you need a dog walker.

The name of my business is Sunnyside Home Pet Care, and if you live in the Sunnyside and Richmond neighborhoods you've probably seen my flyers. Since I only serve the immediate neighborhood I can charge less than the other services, but still give you the reliable, trust worthy service your dog deserves. My services include 15 minute midday walks for only \$12, and half hour exercise walks for \$17. You can schedule as many or as few each week as you like. And if you normally have it covered and only occasionally need help, I can do that too. I even have special lower rates for older dogs and puppies. Along with the walk each visit includes some extra time just for the dog, lots of pets and some treats, and I refill the water dish. If it's raining I'll even dry he off when we get home. I invite you to visit my website <http://www.sunnysidehomepetcare.com> to find out more about all my service, my affordable rates, and what my clients say about me. Or just call and I'll be glad to answer any questions you have.

Thanks.

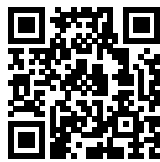

Richard

Richard has been walking my two dogs for three months now. He is always willing to walk my dogs even when contacted on the same day I need his services. He is reliable and best of all my dogs adore him and are always happy to see him. I would recommend Richard to anyone who wants assurance that he will go the extra mile to care for your animals.

The Best Dog Walker Anyone Could Want??

Richard takes care of my two dogs (an elderly shi-tzu & lively chocolate lab mix) when I have to work long days or go away for the weekend. He is affordable and always available, even on short notice, and spoils my dogs with treats and love. When we see him around the neighborhood they always jump for joy. I highly recommend Sunnyside Home Pet Care.?
