In need of a cute girl to host our weekly videos. This is a position for someone who needs experience for a resume or reel.

Weekly web series in need of a host. Must be comfortable in a variety of situations. Mostly man on the street type interviews about trending topics.

Please respond with pictures and links to any relevant experience. No experience? No problem. The most important thing is your level of comfort in front of the camera.

This is a non-paying gig. Please spare me the lecture. And, yes... when I was getting started, I worked plenty of gigs without.
