This is not customer service or sales. This is a great job if you like dialing and setting appointments from the comfort of your home office. Experience is a must. We pay weekly and we will spend the time to train you and support you so that we can all be successful. The calling hours are Monday thru Thursday 6pm - 9pm and Saturday 9am - 1pm.

If your are interested please send me your name and a phone number with the times you can be reached. We are looking for serious and mature people that are looking for a long term.
