We have casting for 3 different productions and need attractive females. No real age requirement, but 18+ is required. All races excepted.

The 3 different productions are as follows:

1.) A solo/stills production: this is a 4 hour shoot of 2 solo 10 min clips and 5 sets of still photos. Pay is $600 and you are paid right after the shoot.

2.) A girl/girl production: your performing with another female talent. Both you and the other talent are properly tested for all STD's and verified. Pay is $800 and your paid the same day you do the shoot.

3.) A boy/girl production: your performing with a male talent. Both you and the other talent are properly tested and or protection is used and verified. Pay is $1,500 and your paid the same day you do the shoot.

We are currently casting for all 3 projects. We are one of the largest talent agencies in this business. Licensed by the state of CA. You will be able to look us up and our license.
