Our 29 year old BBB accredited wellness company is looking to team up with others who have ambition and drive to set a strong foundation for their future. If you possess great communication and organizational skills, and can work part time to full time hours from home this might be something to look into. Must have basic computer skills, high speed internet and a phone with long distance service. You can be the one raising your children; you could be the one securing an income. If you are genuinely concerned about the well-being of others and the environment, and want to take control of your future please send me your contact info and I will be in
