The Pro Active Sports ProCircuit Putt Return System is the only putting aid that brings the ball right back to you. The track and diverter returns the ball right back to where you putted from. It includes a built-in putter stand and backstop and works for both left and right hand golfers.

Additional features:
-Adjustable to 3', 6', or 9'
-Putting surface stimps to a 9 (tournament conditions)
-Backstop also is a putter stand
-High-quality putting surface
-Track and diverter system brings the ball to the putter's feet - make or miss
