*** ESTABLISHED MULTI-GRAMMY/BILLBOARD #1 PRODUCER ACCEPTING NEW PROJECTS ***

Highly visible producer/arranger/orchestrator/instrumentalist is available for new projects of promise and integrity.

RT Type Music, owned and operated by record producer Ron Thaler whose diverse career includes multiple appearances on the Grammy ballot, is a music production company based in Manhattan. The company specializes in creating and producing music that captures the attention of audiences and entertainment business professionals alike, and that consistently yields charting and sales success. Our multi-faceted and highly diverse work focuses on artists who not only posess exceptional skills but who create cutting edge forward-thinking music, artists who seek to communicate depth, integrity, and who enjoy a hands-on approach to music making, something increasingly important at the center of modern music production and publishing today. Some of our clients choose to work out of an intimate and eclectic HD Pro-Tools based facility in Brooklyn, others with larger projects elect to record out of a state-of-the-art recording studio in New York's Soho and other international studio facility affiliates in Scotland, Canada, New Zealand and France. We offer our artists the services of many of the finest and most in-demand musicians to come and record on their tracks, and seek at all times to create the vibe and energy necessary to produce results of the highest order ! Please understand that RT Type Music is an internationally recognized company with a strong reputation for producing music of promise and integrity, and that our services are not offered for free, but at workable and honorable artist-friendly rates.

Along with several of our publishing partners, RT Type Music has charted much success, having licensed music to worldwide TV ad campaigns Films & TV programs, and produced songs and albums for many diverse recording artists from the US, Europe and Asia. Ron has recorded and worked with many of the world's finest signed and independent artists including Dweezil Zappa, DJ Logic, Taj Mahal, Rob Thomas, Alicia Keys, Sophie B. Hawkins, Slash, Willie Nelson, David Guetta, Ashlee Simpson, Harry Nilsson, Melissa Errer, Lizzy Mercier Taylor, Jazz Tess, Sarah Vaughan, Simply Red, Barkers Tank, Wiggs, The Rowan Brothers, Jay Lenz, Jason Yeidoff, Anita Prime, Jeff Fiorello, The Yet, Zep Freeman, Lewis Copeland, Kelly Saint Patrick, Dave Moev, Al Di Meola, Mike Stern, Frank Gullock, Nicky Hitchcock, Marine Girl, Wright & Hewitt and many others.

Recently, Ron's production work on Anita Prime's album "Destiny" has contributed to her single "Complicated" charting at #3 on Billboard for 11 weeks, as well as winning a LAMA Los Angeles Music Award. Ron's work could also be heard on Kelly Saint Patrick's album "In The Margins", which was placed on the official 2009 Grammy Ballot for Best New Artist, Album of the Year, Record of the Year, Best Female Pop Vocal Performance, Best Pop Musical Arrangement Accompanying a Vocalist, and Producer of The Year... Ron was also included for his work with Pop Jazz group, and AC top 10 radio hit-makers, "Project Grand Slam" including Best Pop Instrumental Performance, Best Pop Collaboration with Vocals, Best New Artist, Best Pop Instrumental Album, and Best Instrumental Arrangement Accompanying A Vocalist. In 2008, Jason Yeidoff's funk-pop album "Tragic Hero" was placed on the official Grammy Ballot in multiple categories (including Ron for Producer of The
