Experienced, strong server wanted for a fast paced, casual dining restaurant. The right candidate would be able to carry a large section while focused on guest service, be able to do everything with a smile. Shifts run Friday, Saturday, Sunday for sure, the rest is flexible. Respond with resume, no phone calls to the store, no in store applicants.

Our Landscaping Technicians are responsible for installing new landscaping and irrigation systems while maintaining the existing landscaping around the various Resort

facilities. This would include mowing grass; removing weeds; watering; operating irrigation systems; planting trees, flowers, and shrubs; operating various landscaping tools and equipment; applying fertilizer and pesticides; laying sod; moving/placing rocks and boulders; raking pine needles; picking up trash; and maintaining the supplies, equipment, and facilities to a high standard.

Responsibilities

--Receive merchandise from vendors and other stores and put them in the proper location on the shelves
--Check off merchandise as it is received
--Correct mistakes found on the inventory count sheet
--Assist in pulling parts during busy times
--Clean up inside/outside the warehouse
--Work with stock manager to address any problems with orders
--Resolve problems with how the warehouse is stocked

Qualifications

Ability to lift up to 50 pounds, 1-2 years stocking/warehouse experience, good teamwork skills in working with individuals in own department and other departments, familiarity with safety measures in a warehouse

Are you mechanical? Do you like building?

Assemblers Inc. is looking for Technicians to build and assemble retail merchandise for major sporting goods, home improvement retailers and manufacturers around the United States. Common items include bicycles, grills, mowers, fitness equipment, wheelbarrows, outdoor furniture, and more.

The ideal candidate has mechanical experience, is a quick learner and is motivated to earn. Pay is based on the amount you assemble and we provide paid training to make you successful with the work. We offer flexible hours and opportunities for advancement, whether you're looking for occasional work or a career position.

Currently hiring for both Full-Time and Part-Time positions.

Required Tools:

â€¢ Cordless drill -- 14.4 volt or 18 volt (recommended) with 2 batteries
â€¢ Impact drill -- 18 volt or higher (for bicycles and wheelbarrows)

Additional Requirements:

â€¢ Pass a background check and drug screen
â€¢ Lift 50 lbs or more; stand for long periods of time
â€¢ Must have reliable transportation

Compensation is commission based/piece pay. Earnings average between $10-$16/hr -- opportunities for higher earnings available. Paid
