*** STOCK: More than 1 available. If you still see this ads, I still have it in stock. I will delete this ads when I run out of stock. This item is hot selling on eBay and I have no problem moving my stock. I'm listing it on craigslist to save the local buyers the shipping time and cost while saving myself packaging time and eBay fees. But that also means if our meeting is not convenient for either one of us, I would rather keep this item for sale on eBay.
