I have 3 beautiful ferrets i now have to rehome and its breaking my heart. My landlord got an illegal forced eviction and we have no place to bring them to with us . cheerio was albino but somehow lost all his fur this winter and it came back black, grey and white. Angel is grey and white very playful and esp loves kids she is about 2. Rascal o tootle is a racoon black shes also two and extremely loving and playful. Want them all to go go to get and theres a rehoming fee to insure good home. If you plan on taking my ferrets you must have common knowledge about ferrets. We rescued these babies from a very neglected home and nursed them to health. Foos iant expeniave for them because they prefer a bowl of walmart ferret food at night and 3 bowl's of cheerios a day. They come with two large cages that will be taken a part. They have had all their shots and i have a fully crediatible vet that agrees with what they eat. They do not get fed cat food ever these babies had it rough enough before we aaved them so i will not just give them to anyone. If interested please message me why they would make a great fit in your
