Small business owner looking for a couple beautiful, fit women to do some modeling for some upcoming events and projects. Must be in shape and ready to show off! Piercings and tattoos a huge plus! Please be comfortable and confident, you will be asked to wear several different types of clothing and possibly very little clothing. Must be 18, will verify.

Please respond with recent pics(face, body), age, availability, and I will respond promptly. No pictures will result in no response. Please be serious, I will be meeting with perspective models in person before making any final.
