QR Code Link to This Post Get it in time for Christmas! A Christmas Village with tons of extras...trees, lamp posts, carolers, people, ponds, furniture, skaters, park benches, American flag and animals!! You need to see this to believe it. The picture is in the early stages of this collection being started and many pieces were later added.

Many of the pieces have not even been removed from their boxes. There are several churches, a Kroger store, Marsh store, post office, inn, school house, bridges, covered bridges... more then can be listed. This collection has been carefully wrapped and stored in boxes. Downsizing; our loss is your gain.
