QR Code Link to This Post Hi we recently adopted a puppy from a kill shelter. She is utd on shots and fixed and microchipped. Sadly because we were not allowed to do a meet and greet with our dog there we had to guess how things would go. Well our dog HATES her. It's a lot of fighting. She is a very good puppy. She is potty trained. She will scream when she has to potty. She will let you know for sure. She is crate trained also. She loves to play and is hyper for sure so if you get her for a kid for Christmas she will jump. She is a sweetie pie and she does love kids. She is great at playing with other dogs at dog parks also.

Rehoming fee $100

She will come with rest of her
