QR Code Link to This Post If customers type in your product and services in the cities you work in, do you appear on page one of Google?
Are your competitors taking away all the business because you are on page 2,3,4 and not on page 1?
Are you still using Yellow Pages to advertise? Is it working?

Then let me handle it for you!

We focus 100% on local SEO marketing. We use the keywords that drives traffic to your website. The 'cities' you work in combined with the 'services' or 'products' you offer. Not for the typical 20 keywords... but for 200 Keywords. This is the lowest cost for the highest return you will ever experience for your website. It's 200 new ways for your customers to find you. Exposure like you've never seen!
Paying for adwords? Pay less and we will get you there organically
Paying for leads? Take control of your exposure.
Paying too much for traditional SEO? Get more exposure at a fraction of the cost.
ABOUT US:
Over the last 10 years in the SEO business (GeoSearch) serving large companies, we have developed a technology that optimizes thousands of pages for a single website. Affordable only by big corporate budgets it was their unfair advantage... until now. We were driven to bring our technology platform to small businesses and make it affordable.

Technology that is proven over the years for those paying tens of thousands, is now available to you. Now you can outrank your competitor who is paying 3-5x more for old traditional SEO practices. Lock in your exclusive in your specific area and service.

CLIENT TESTIMONIAL:
"The progress has been great! Why? You and your company has [illegible] has saved us this summer. We were nowhere [illegible] from keywords typed on Google prior to [illegible] you. Now we are [illegible] same keywords [illegible] not near the very top, I'm [illegible] one! and [illegible] like it's only [illegible] better. Thanks so much."
