I have a beautiful female pit pup that I unfortunately don't have time for after picking up a second job. I have her mother and you honestly couldn't ask for a better dog. We are working on potty training. She has had her first shot. Has to have her next one in the 28th. She has also been dewormed three times now. There will be a rehoming fee to ensure the best home $250. It is non negoshible. Her dad is registered and from Texas. Her mother isn't registered but is pure pit. Dad is blue mom is.
