We are a General Remodeling Company looking to expand our network of Trade Professionals.
We service all of Southeastern WI. We conduct our bidding process online where our Trade Professionals have the option to view the project and submit a bid if interested. Once all of the bids for that portion of that project have been completed we will review the scope of work and select the contractor. Once you have been selected you will be prompted to the calendar for scheduling. We are looking for contractors that can keep consistent communication - meaning, once we schedule a job with you, answer your phone to confirm or deny the schedule. We have homeowners to communicate with so please be courteous.

We are very versatile and are looking for:

Roofing Crews
Siding and Gutters

We do require proper insurance coverage for your business prior to being selected work.
