QR Code Link to This Post Hello,

I am looking for a 1-2 bedroom apartment in the Phoenix, Tempe or Scottsdale area. I'm interested in moving in early 2018 around February or March. The residents will be myself and 1 other person. I would like something with utilities included in the rent, washer and dryer in unit and a dishwasher, as well. Cable/Internet are a plus but not a necessity. Pet friendly, for both cats and dogs, as.
