-Gorgeous-ify your Facebook, Twitter, Linkedin, Google+, Quora, Meetup
-Job Seekers: HR & Hiring Managers love to see whose resume is in their hands.
-On Sites like Yelp! (and in real life) as a business owner, people love a good face ;)
-Tinder/Match/OKCupid: No one "swipes right" on a dark, red-eyed, in a bar pixley phone pic that cuts off half your face and has 4 other blurry people in it.
-Couples, share cool hip love in a square on Instagram! (tacky, sure, but so is love, so own it...)
-If you're a boss, show you're a BOSS don't tell me!
-I'm sure your Mother thinks you're handsome...
