Description:

(Pictures above are the Living Room and Kitchen)
Massive One Bedroom with 18 ft ceilings facing the street on Spruce between 19th and 20th. The living room has 3 massive windows for plenty of natural light with a full kitchen including a microwave, garbage disposal and dishwasher. 2 giant couches, one turns into a single bed, with a 32in flat screen HDTV. The bedroom has one massive window facing the back of the building with plenty of light and a bathroom with a marble sink and a shower/tub combination with a door to the fire escape. There is an air conditioner in the bedroom that cools off the entire apartment!

Neighborhood;

Yes, you are in the middle of Rittenhouse Square, literally right in front the building, block away from Rittenhouse Square, the grocery store, the brand new Rittenhouse Hotel, bars, restaurants. Walk around the park and you have all the shopping going on down Walnut and Chestnut Streets. The city restaurants are all located in more than walking distance.
