Major Record Label reps are searching for the BEST unsigned artists and musicians in the region and we are here to provide a great opportunity for you to perform while they scout!!! Meet the reps and build a relationship with industry decision makers.

Be scouted by Major Record Label Reps, increase your fan base, network and meet other talented artists/musicians to collaborate with. This is a great opportunity for performers to come out and showcase their talent live directly to the music label representative!

The label rep will be taking your demo/press kit after you have performed on stage. This is a red carpet event with press and media and a special opportunity for networking with the music industry elite. Interested performers may submit links to their music page or website to the email listed in the header for consideration.
