Singers & Songwriters, mainstream tracks custom made, Opportunity!

Turn your ideas & scratch tracks into professional mainstream radio style music. Played, performed & recorded in a pro audio multitrack recording studio by professional multi talented musicianship.

We work closely with you via phone & Internet, providing the best results for your music, we give you a final file of your music wich you can bring to your local recording studio to record your vocals, if you don't have a vocal melody, then one can be made for you & played onto a separate version of your song in the form of a piano guide track.

Our styles are very diverse & will meet your needs when it comes to building your songs, arrangements, lush solos, large array of drum styles, kits & chops, lovely keys, phatt jaw dropping basses (dubstep basses available), effects that will leave you in awe, and last but not least, mixing & mastering.

Turnaround time for one song is 1-2 days to a full week depending on our workload.

Credits include:

20 tracks previously for Universal Records (EMG), 16 tracks to LouRawls Jr., Pop electronic dance music requested by Phil Gordy (Motown Family) who also started the group Wild Orchid Feat (Fergie) currently in the works just to name a few & many many more!

This is a golden opportunity. Book your online session now & get your project Rockin today!

Get your songs considered for a talent with [illegible] through our contacts. You may be promoted to record labels, publishers, promoters, managers, agents, DJs, music supervisors, filmmakers, production houses, etc.

We are also currently looking for Vocalists & Musicians for some of our songs for recording placements. If you like to write & sing your own lyrics, takes you to get your foot in the door, own recording setup is a big plus so we can send tracks back & forth.

Send email with links to site where you have uploaded your songs, then we can go from there, best of your singing please. If you can also come up with lyrics to some of the songs is a +
