Selling my almost new DJI Phantom 2 W/ H3-3D Gimbal

Bought it just month ago. Still have all receipts. Flew not more than 10 times. Never bumbed in anything. Absolutely perfect condition and set up for FPV - Full package. No need for you to solder anything. Get live feed from your GoPro with fly info directly from the drone. Can fly up to a mile away.

Comes with:
- DJI Phantom 2
- Zenmuse H3-3D Gimbal
- Two Phantom Batteries
- Extended Range Antennas
- Flysight FPV 7" LCD Monitor
- DJI TX Lite Module 5.8GHZ Video Downlink Transmitter
- DJI OSD Mini (flight info on a screen)
- Board hub
- Professional Hard-Case
- Extra Props
- Prop Guards
- Hard high quality Case
- New Landing gears (if you want to remove stock ones and don't have them in frame at all)

Asking $1199
Sell it new with an extra 10% off. Alex
