DoughPro DP3300 PizzaPro Electro-Mechanical Pizza Press with heat ~ $1500.00 OBO

It runs on 110 volt electric and is NSF approved.

The unit is used and will still perform well in commercial establishments.

This unit works great and is in very good condition - This unit will come with and extra lower platten.

Also - the center button cover is missing - I will continue to look for it! It was just!!
