I have a wrecked 2000 Toyota Tacoma PreRunner with various parts in good condition. Things that are still good include. . .
3.4L V6 with 163,000 miles
Automatic Transmission
Rear Axle Assembly
Driver's Side Door
Rear window, Xtra cab windows, and door windows
Wiring harnesses
Various interior (gray) parts are in good shape. $900 takes the whole thing. Need it gone. Call or text 601-five zero eight-0730.
