Never the cheapest nor the lowest bidder but when you want it done and done right the first time then you've got the right craftsman. I am not the carpenter for low budget just want it done as cheap as possible projects or if your looking to compare with Ikea.

Custom woodworking shop taking new orders. I have a full cabinet shop and can produce what ever your imagination desires. I work with full raw stock. Every piece is handcrafted to become your family heirloom. Museum Exhibits, store displays, Built ins, bookcases, fireplace mantles, entertainment centers, armoires, furniture, shelf units, kitchen cabinets, moulding, mouldings spice racks, Flat screen frames, rustic mountain lodge pieces, you name it I can make it.

Site built onsite kitchens cabinets and cabinetry

I have access to all species of wood and exotic rustic materials as well.

I look forward to hearing from you and making your dream come true.

If you have an idea or maybe you've seen something you liked but it was not the right size, I can custom build it for you. Or if you need a display built for your store or product give me a call I can create anything you like.
