To whomever keeps flagging, I have read the rules and have not violated anything, so I would like to know your reasoning for doing so. I am not a flipper, I do not claim to be a business, as I have stated in both "Ferret Facts" and "Ferret Rescue". I have already helped several people add new members to their families, and helped those in need of rehoming, so I am unsure of why I would be flagged. If you have an issue with me, please take it up with me, not deny others from seeing my posts and potentially ruining a ferret's second chance for a loving home. Any questions or concerns please let me know. I will continue to save lives despite constant.
