About our Daycare

Who we are: I am a mother of two boys here full time with 12 years experience to make sure your child gets the special attention needed. We are certified and registered through the state of Arizona, CPR certified, background checked and fingerprinted

What we do: We have age appropriate toys for children 0-4years and activities and learning program to prepare them for Preschool and Kindergarten. In addition we have a LARGE front block yard with plenty of room for kids to ride bikes, play ball and just run, very safe for all ages. Clean loving home with lots of room for play and a beautiful secure court yard in front for kids to play safely. We are open regular hours (7am-5:00pm). We are also available for overnights and extra hours that parents may need.

If you are in need a good loving home for your little ones please email me, I will send you our pamphlet with rates, references and FAQ's. When responding please include your child(s) age(s), with the days and times you would be needing or text to thank you...

All ages welcome, we do potty train and teach them here, activities, all meals and well balanced snacks provided, email us and come and have fun,
