NinjaSeattle.com (portfolio)
NinjaJournal.com (blog/free stuff)

PLEASE contact and "Support" your local Web Designer or Developer if you live in a different location/city/state. I don't work outside of Seattle.

Price is $15 per hour in Capitol Hill for tutorials.
If you need web development, the price is $20 per hour.
Call out services available depending on the area.

You've probably learned the basics of website management systems in less than a day. I can also teach you the very basics of HTML5, CSS3 and PHP in a few sessions. It always pays to know how to code and then be able to call me when you're hitting a wall or beginning your website.

HTML5 development of websites that need Jquery, Javascript, AngularJs, CSS3, E-commerce, SSL cert tutorial, cpanel, mx-client, email, gmail, wordpress customization, fixing widgets, plug in debugging, google adsense, sidebar customization, fixing navigation menu, taxonomy, tags, post, changing the default stylesheet implementing permanent fixes, changing columns ? clean plug in / height/width/colors/ fix broken template / bootstrap / layout css etc.
