Hi everyone,

I just wanted to let you know about my home child care. We recently moved to San Carlos. As a result, I do have 1 opening for a new student to enroll, and am currently accepting new applications for children from 3 months - 4 years old. I'm currently in the process of setting up our website (http://www.hatifaschildcare.com), but in the meantime, you can check out our facebook page (http://www.facebook.com/hatifaschildcare) and our yelp page (http://www.yelp.com/biz/hatifas-child-care-san-carlos). And, here is a little blurb about myself and my home daycare:

As a mother of a 21-month old, I know how stressful it can be to be away from your child. Rest assured, I will provide you with the peace of mind necessary while taking care of your little one. By offering a safe, fun, and loving atmosphere in my home, I will promote your child's healthy growth during their most crucial years. From the moment your infant, toddler, or preschooler joins my daycare, they (and you!) will love every minute of it! My semi-structured program includes both free and structured playtime, arts & crafts, outdoor activities, and reading/story time, amongst other things. As a bilingual teacher, I will communicate with the kids in my care in both English and Pashto, along with some basic sign language. I will enjoy incorporating all three languages into the children's learning experience. This educational and stimulating environment will also encourage good manners, group play & social skills, and personal hygiene. In addition, I am a member of the federal Child Care Food Program (CCFP), guaranteeing organic, nutritious, and -- most importantly -- yummy meals and snacks.

My family's presence numbers 214-400-[illegible]. Thanks in advance. And if you have any questions, please feel free to reach out to!
