Hi! Hi! Hi! I am a stay at home Mom and am open to doing some babysitting in my home.
I am open to any ages. I have two adult (children) ages 21 & 23 that have flown the coop. Then I have two younger children ages 11 (boy) 8 (girl) and two pug dogs that are super friendly.

We enjoy a multitude of activites from cooking , geocaching (scavenger hunts), arts and crafts , visits to the library, gardening and so on.

Need some time to run errands or maybe spend some special time with that special someone? Or maybe you need someone regular so you can work? Either way, feel free to give me a call or text. ?
