I'm 20, been plying guitar for 4 years, and singing for 10. I want to start a band with the intent of gigging, and touring and taking it as far as we can take it.
The style im looking to play is alternative, indie rock, punk, and a hint of hard rock. Just whatever happens when the band comes together. I have ideas for songs, but would really like to have input from other musicians and write them together. im looking for,
Another guitar
bass
drums
and a syth/keys/electronic sounds player

This is a song that i wrote, in the indie rock style, let me know if you like it.
