I am in SLC for business for the next week or so and have this weekend to enjoy the great outdoors. I'd love to find a bud to ride some trails- one problem- I don't have a bike here- airline wanted to charge me 150 each way! Anyway, I am a married dude withare kids- not looking for weirdos or gay hookups; I don;t care if you are guy, but we wouldn't be doing anything like that. Ope to gals too, same thing, not looking for a hookup. I am 47 and pretty fit, though I haven't done any serious biking for maybe 8 years or so, so moderate rides would work for me- really just looking for scenery an fresh air. If you have an extra bike and want a partner for the weekend I'd love to give it a go. I have a rental here so I can drive if you have a rack. Looking for tomorrow and/or sunday.

Take
