Learn to edit video now! Get up to speed using my shortcuts developed while working as a professional editor and motion graphic designer. I have 25+ years working on national shows for Oregon Public Broadcasting & NOVA, companies like Nike, Intel & Starbucks as well as teaching at the Art Institute of Portland, Center for Advanced Learning & Pacific Northwest College of Art.

Compressing Media while retaining eye-popping quality

Media Management

Applying Effects

Color Correction

Work-flow & shortcuts

Learn professional tips to save time and drive space based on my extensive experience working on everything from award winning short films to multiple feature films.

Using your current project build on what you already know about Final Cut Pro, Adobe Premiere or another program, learn how to expand your existing skills with Photoshop, Illustrator or After Effects. Learn my shortcuts for manipulating photos, video interviews and B-Roll in order to save time and complete your project on time and under budget!

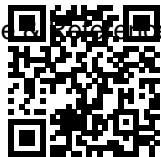

\$35/hour (initial lesson) your needs met guaranteed.

Quickly learn the architecture of editing and other image manipulation programs like Final Cut Pro, Avid and Adobe Software (Mac & PC.) After a two hour lesson one-on-one, you will be working smarter, faster and with more confidence. If you are not delighted with how much you have learned then no charge.
