Savannah Monitor (Eastpointe)

Location **Michigan**
https://www.genclassifieds.com/x-567147-z

Looking to rehome my savannah monitor. I'm moving and can't take him with me. He stays in his own room when he isn't roaming around the house. He is litter box trained. He's friendly and easy to care for. I'm looking for someone who can provide similar accommodations. I will include all of his furniture. Asking $200 rehome fee

You can see video of him eating mice on YouTube
http://youtu.be/69ELlc8NUgY or search Savannah monitor (Lucifer) eating a mouse
