I am setting up an art booth at the Downtown Fargo Street Festival and will be selling Photo Letter Art.

The event is this Thursday, July 16th through Saturday, July 18th. The hours are 9aam to 9pm on Thursday, 10am to 9pm on Friday, and 10am to 6pm on Saturday. Partial shifts are available.

I applied and was accepted at the very LAST moment, and am looking for some help at the event.

Mainly I'm looking for someone to help me sell and put together my Photo Letter Art pieces at the event.

If you're looking for some extra money and are available for the event this weekend on Thursday the 16th through Saturday the 18th you might be the person I'm looking for.

I'm looking for someone who is personable, hard-working, and flexible with what they may be asked to do.

Is this you? If so and you are available, interested in helping and want to earn some extra money then here's what I'd like you to do.

Review my website at www.uspellit.com and send me a quick response explaining why you're the person I'm looking for and why you'd be interested in this short-term and last minute position.

Be sure to leave your phone number so I can get back to you.

We don't think it's necessary to have you come in and I'll give you a primer on what you'll be doing for the weekend. Then we'll get started!

That's it! It's now in your hands!
