Beautiful Angora mini lop bunnie

Location **Michigan**
https://www.genclassifieds.com/x-570998-z

Due to me moving to a house that will not allow pets I have to rehome my beloved bunny Lucy.
She is the sweetest, never had bitten anyone!
She loves to be held and pet, I groom her everyday also. She is very very spoiled!
She doesn't mind cats or dogs, usually just ignores them!
She comes with a giant cage, tons of food and tests! I'm asking 150$ for it!
